

WANT ADVERTISEMENTS THAT PAY, GROW—

The A, B, C of Home Buying.

Almost anyone can have a home of his own if he but will. By the saving of a few dollars you can get a start. Considered strictly on a business basis it is a paying investment. Don't pay rent to enrich a landlord, but keep that money yourself. Every dollar paid on a home is a dollar added to your own wealth. Few people realize how rent counts up and how little they get for it. Going in debt for a home has formed a saving habit that has led many a man to riches. Having your own home will help you to further accumulation to make old age comfortable. If you need further particulars, call on us and we'll show you how, when and where.
